**La Gribouillade
DES BALADINS**

L'humour et l'ironie sont au menu !

Edito

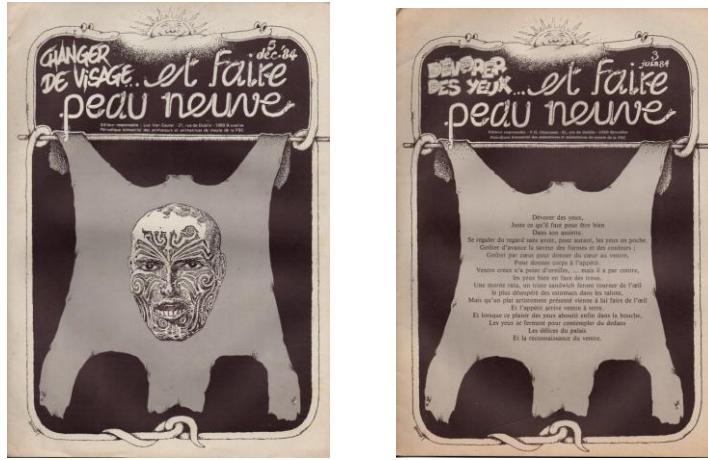

Une nouvelle année, une nouvelle ribambelle. Les plus grands vont partir chez les louveaux, d'autres enfants entreront dans le scoutisme par la grande porte des baladins. La première animation doit donc viser à apprendre à se connaître et à découvrir l'autre, à apprendre à jouer et à construire ensemble. Tu trouveras dans les fiches qui suivent, quelques jeux qui répondent à cet objectif.

C'est aussi un renouveau pour l'ensemble du mouvement grâce au thème d'année : L'INTERNATIONAL. Nous aurons l'occasion de découvrir ce thème par une série de propositions d'animations et d'actions pour toute l'année. Pour commencer, nous découvrirons l'Amérique et ses Indiens, êtres fascinants et mystérieux aux yeux de nos baladins. N'hésitez pas à discuter avec les baladins de l'histoire de ce petit indien qui veut faire partie de la tribu, car il y a une place pour chacun à partir du moment l'on veut participer à la vie de la tribu.
